Terms of Agreement

- I accept monthly subscription offered by the pool, on the terms and conditions.
- I have read the terms and conditions and acknowledge that a termination payment may be payable to the pool if I breach the agreement
- I have received a copy of this agreement
- I am agreeing to the terms and conditions and confirm I am committing to the service for a minimum of months

Terms and Conditions of this agreement

Period of Commitment

You are agreeing to subscribe monthly for your membership to the pool and contracting to remain a member for the minimum period shown above.

Termination of Membership

Limited rights to cancel

During the minimum period of the agreement you may cancel the agreement only:

1. If we materially and continually fail to maintain the standard of service you experienced when joining.
2. If you develop a medical condition which prevents you from using the pool on an ongoing basis. An appropriate medical practitioner must provide written evidence that this is so.
3. If you move away from the area by a distance which we consider, at our sole discretion, to be too far to travel to the pool for regular use. We shall require evidence that such a move has taken place.

Termination Payment

If you cancel your subscription during the minimum contracted period, other than in the circumstances set out above, we shall be entitled to a termination payment of 1 months' membership cost.

Missing Payments

If you miss two payments you will be deemed to have breached your agreement. We may give you notice to terminate the agreement and shall then be entitled to the termination payment.

Giving notice to terminate

After you have completed the committed subscription period you may terminate the agreement by giving one month's written notice.
